A PRAYER FOR CHRISTMAS

Dear Lord and Father of Mankind, we thank Thee for this Day. Even though we are celebrating in a manner far different from what we would, if circumstances permitted, grant that we shall be mindful of the true spirit of the Day. Give us a renewed concept of Thy love for us. Help us to respond to Thy love by loving and serving Thee, and by experiencing a deeper love for our fellow men. Bless our loved ones. Give them a day full of joy and happiness. May we properly appreciate them and be worthy of the confidence and trust they have placed in us. Hasten the day when there shall be peace on Earth, throughout the World, and Good Will among all men.

TO THE MEN OF THIS COMMAND

I wish to take this opportunity to extend to you my best wishes for a most Merry Christmas. We have indeed been most fortunate in living and working in a country that still has the right and privilege to celebrate a day such as this. Let us then give thanks and resolve in our hearts that liberty and freedom shall never perish from this part of the earth.
