JUNIOR HI SPI PATROL TALK

An Iowa Highway Patrolman gave us two reels of pictures, Monday on Safety. One name was "Stop, Look and Live." The other reel was "Eyes." The pictures were interesting but because of the not-so-good facilities it was difficult to hear the sound record so very well. The first reel showed safety in walking. The second, reel was about night driving and how you may protect your eyes while you are doing it.

KINDERGARTEN NEWS

The Kindergarten, both morning and afternoon classes, went on a very interesting walk. They saw many birds and flowers and also several squirrels and butterflies,

THIRD GRADE NEWS

We have been learning some very interesting things in our bird study. It has only lately been found out that birds are the most valuable of helpers to us. They are fond of insects that spoil our crops, fruit and eat up our vegetables. Besides those many birds eat the seeds of certain weeds that farmers have to fight all the time. One swallow was known to have caught between seven and eight hundred flies a day. Orioles go over the fruit trees and pick out tiny insects under the leaves and when they find great nests on the branches, they tear them open and kill the caterpillars that made them. It is the same way with almost all the other birds.

FIFTH GRADE NEWS

We have an interesting bulletin board and exhibit table for Mexico this week. Our exhibit consists of a basket, a piece of Mexican pottery, two tiny dolls dressed in Mexican costume, a woven mat, a small woven Mexican sombrero and a Mexican scarf. These were all loaned to us and we appreciate them very much.

In art class we made Mexican paper dolls.

We are very busy in our Language class preparing our program in connection with our unit "Music Through the Ages."

Four fifth graders submitted posters for National Air Mail Week. They were LaRue Dietz, Bobby McGrath, Donald Mohr and Burton Hoffmann. Burton's poster has been entered in the state contest.

SIXTH GRADE NEWS

We sent for Palmer penmanship awards and the following 19 students received them: Joyce Bingham, Donna Pahde, Patria Fritz, Hilda Buschman, Ray Schrum, Audrey Cramer, Naomi Joens, Harold Juels, Dale Mohr, Donald Neal, Eleanor Sutherland, Sam Wiese, Kenneth Jensen, Donald Joens, LeRoy Joens, Vincent Lyden, Lawrence Nickum, Carl Petersen and James Schrum. Members of the sophomore class and the Lettermen's club will attend in a body. Students from other classes will also attend.

Robert Addison born near Ross, Iowa, March 7, 1927, the eldest son of Mr. and Mrs. Fern Addison. He has lived in Manning since he was six months old, making his home with his grandmother, Mrs. Lillian Addison, nearly all his life.

A coasting accident Monday night claimed his life. No one is known to have seen the accident, but apparently Bob had hooked his sled onto the back of a car probably holding on to the bumper with his hand and in letting go of the car his sled skidded into

the Gamble Store truck parked in front of the Jack Horbach home on Third street. The sled ran into the rear of the truck and he suffered a severe head injury.

At about 8 o'clock, Johannes Bunz, a neighbor of the Horbach's saw Bob lying under the left fender of the truck. His sled was found under the truck. However the accident had evidently occurred sometime before Bob was discovered dead by Mr. Bunz, who immediately reported the accident and called a doctor. The youth was taken by ambulance to the home of his grandmother, where he died about two hours later.

Surviving are his parents of Manning and five brothers, Bill, Mickey, Gene, Clark, and Larry and his grandmother: also several uncles, aunts and cousins.

Bob was a member of the high school football squad and the Lettermen's Club and the Glee Club. He was an excellent student and his name often appeared on the school honor roll.

He was much liked by his classmates and companions, by whom he will be greatly missed.

He will be remembered for his kindness to his grandmother and thoughtfulness in assisting her in many ways.

He attended the Methodist Sabbath School.

**Local Schools Rate High In Music Contest
Bring Home Largest Number Of First In District Contest**

Manning school rated high at the district music contest in Harlan last Friday. Carroll county contestants carried home a large share of the honors, with the Manning students of Miss Marjorie Graybill and Mr. Vilas V. Hemphill getting the largest number of firsts and second division ratings.

Manning had a total of 11 firsts and 9 seconds. Carroll brought home 7 firsts and 7 seconds, while Coon Rapids rated 4 in each division.

Manning first place winners included: Madrigal group, Mixed Quartet; Ray Schrum, Bass solo; Burton Hoffmann, Tenor solo, and B-flat Clarinet solo; Justyn Sutherland, flute solo; **La Rue Dietz, Oboe solo**; Arden Smith, piano solo; the B-flat Clarinet quartet; the clarinet quartet and Woodwind trio.

Winners in the second division were: Girls Trio; Bass solo, Burton Rutz; **Contralto solo, La Rue Dietz**; Girls Glee Club; Mixed Chorus, Also Clarinet Solo, Letty Frahm; Cornet solo, Ray Schrum; French Horn solo, Harold Petersen; Trumpet quartet.

**Manning Wins Eleven Places In State Contest
Thirteenth Highest School In The State**

Manning school students won 6 first division ratings and 5 second division ratings in the state music contest at Carroll last Friday and Saturday. In number of first and second ratings Manning captured 13th place among the 160 schools represented. This is an extraordinary achievement since a great percentage of the schools in the contest represented cities of far greater size than Manning.

Following are the Manning entries and ratings received:

Burton Hoffmann, tenor solo, I; Burton Hoffmann, Clarinet solo, I; Ray Schrum, bass vocal solo, II; **LaRue Dietz**, oboe solo, II; Arden Smith, piano solo, II; Clarinet quartet, I; Mixed Clarinet quartet, II; Flute trio, I; Madrigal group II; Mixed vocal quartet, I; Justyn Sutherland, Flute solo I.

Following are the members of the groups:

Flute trio: Justyn Sutherland, Patricia Surrige and Ardella Frahm. Clarinet quartet: Burton Hoffmann, Donna Sander, Norma Dau, and Bill Sander. Mixed Clarinet quartet: Burton Hoffmann, Donna Sander, Letty Frahm and Norma Dau. Mixed vocal quartet: Burton Hoffmann, Donna Pahde, **LaRue Dietz** and Burton Rutz. Madrigal group: Myna Nissen, Eleanor Sutherland, Audrey Cramer, Helen Hansen, Valdean Larson, **LaRue Dietz**, Burton Hoffmann and Burton Rutz.

Burton Hoffmann won the greatest honors of any of the Manning students, winning first ratings in two solo events and taking part in 4 of the 5 groups representing Manning in the contest. This is the first time that a Manning student has placed in the first division in two solo events. Another noteworthy fact in the contest results is that no Manning entry rated less than a second division.

Manning's mixed vocal quartet won the only first rating in that division. Justyn Sutherland, who won a division I rating in flute solo is the student of Miss Naomi Boss, herself a State and National winner in flute solo several years.

Mr. Vilas Hemphill states that since none of Manning's instrumental students represented in this year's state music contest graduate this year there is a great chance that this year's achievement may be topped next year, as there is other talent in the band which could be developed into contest caliber by next season. Students and groups winning a division I rating this year are eligible to compete for national honors next year.

We congratulate Miss Marjorie Graybill, Mr. Hemphill, and their students on this splendid showing.
