Ohde Funeral Home

MANNING, IOWA

MANY people, after having been through our funeral home for the first time, have been most generous in their praise of it, declaring it to be an exceedingly homelike, comfortable and indeed outstanding mortuary.

As a consequence many of our friends and patrons have asked for a booklet of our funeral home that they might show it to their friends. To meet this request we have issued this booklet showing the major details of our service facilities.

All of the newer ideas of mortuary practice have been incorporated in the Home to uphold the Ohde policy of modern and practical service.

Viewed from any angle this home represents methods that will meet the approval of the most exacting people.

CHRISTMAS SCENE

CHRISTMAS SCENE

The pines and spruces in the yard are covered by hundreds of green, red and blue lights.

A little to the right, the Wise Men from the East on their weary camels are approaching Bethlehem. Suddenly the first rider points ahead and exclaims, "There it is! The star we have seen in the East! The Star of the new born King of the Jews!"

CHRISTMAS SCENE

Sure enough!

There is the Star!

And what a scene!

In a humble stable, in a manger, A Babe! Mary and Joseph with love and tender care gazing upon the Child! In mute admiration, the shepherds standing and kneeling, believing and seeing what the angel had proclaimed. "Unto you is born this day in the city of David, a Savior, which is Christ the Lord."
Above the whole scene the heavenly host is singing: "Glory to God in the Highest!"
