### **BULLDOGS TROUNCE WALNUT**

#### **19-7 IN RAZZLE-DAZZLE GAME**

Manning High's Bulldog reddens rolled over Walnut at Walnut last Friday afternoon to bring home a 19 to 7 victory.

Coach Bill Steneker's lads did an about face in Friday's game and put on a real offensive show for the fans. His pony backs ran, lateralled and passed the pigskin all over the field and had it not been for costly penalties deep in scoring territory, would have doubled the score.

Both teams played offensive ball and neither team's defense stood out particularly.

Manning scored shortly after the opening whistle. The Bulldogs kicked off and held Walnut for two downs. On third down, Walnut punted to Rowedder in the safety position and Jimmy proceeded to scamper through the entire opposition, 70 yards for a touchdown. Manning scored again in the second period when Rowedder tossed a short pass to Bobby Kuhl who rambled over for the marker. At the half, Manning led 13 to 0.

Walnut scored in the third quarter when one of the backs found the going to his liking and dashed 45 yards for their only marker. Manning controlled the ball almost entirely the last quarter with Rowedder skirting end for the final marker. As the game ended, Manning intercepted a Walnut pass.

Schroeder was a bulwark in the line and Lohmeier looked good in his first turn at end. The backs with Rowedder setting the pace did some nice ball handling.

Mohr replaced Lohmeier at guard for the only change in the Manning lineup.

Lake City's powerful conference eleven will play the Bulldogs on the home field under the lights on Friday night in what game followers predict to be one of the better games. The visitors have a veteran lineup and boast a good record so far this season.

Coach Steneker now has a fair squad out with the addition of several new men recently. The squad now consists of Burdette Schroeder, Warren Petersen, Ivan Opperman, Amos Lohmeier, Gene Strathman, Frank Bliefert, Carl Carlson, Robert Ramsey, Robert Kuhl, Elvin McConnell, Jim Rowedder, Daryl Mohr, Wade Mohr, Lyle "Junior" Schrum, Eugene Shipp, Dick Morrell, Merle Wood, Harold Christie, Robert Ramsey, Donald Neal, LeRoy Joens, Lawrence Nickum. #### **BULLDOGS LOSE TO SCRANTON; TROUNCE LAKE CITY QUINTS**

Manning High broke even in Coon Valley games the past week, dropping a 25 to 23 decision to a scrappy Scranton team Friday and drubbing Lake City 40 to 22 last Tuesday, both games on the Bulldog court.

Coach Bill Steneker used his entire squad, shifting his men about in an effort to determine his best combination. With new men and a more or less new system of play, the squad is rounding out in fairly good shape and has shown considerable improvement with each game. The newcomers are working in well with the vets and as the season progresses, Manning should become a strong quint.

Scranton 25, Manning 23

Manning High dropped a 25-23 basketball game in the season's home-opener here Friday night to a scrappy, veteran Scranton quint in the first conference game of the year.

Neither team could hit the net in the initial half with Scranton claiming a 6 to 3 advantage at the intermission. Coach Steneker's lads put on a real exhibition in the third quarter and were in front 13 to 6 for a few minutes. However the visitors, led by Moore, knotted the count at 13 all as the third quarter ended. In the last stanza Moore succeeded in getting behind the Bulldog offense often enough to

give the Scranton team the advantage. Manning tallied twice with a minute to go but failed to knot the count.

Manning used two full teams in the fray. Hoffmann with 7 points was the local pace-setter followed by Rowedder with 6 and Miller with 6. Moore was good for 11 to lead the visitors.

In a curtain raiser, Coach Edward P. Lynn used six full teams to rout Scranton 21 to 8.

#### Manning 40, Lake City 22

Manning took an early lead over Lake City here Tuesday and rolled up an impressive 40 to 22 count over their conference rival. Nearly every man on the squad had a part in the tussle. Various combinations were tried with equal effectiveness. Scoring honors were well divided and the victory was strictly a team affair.

Manning second team won over the visitors 27 to 7 in a curtain-raiser.

Following the game Manning squad members were hosts to the visitors at a lunch, an annual event between the two schools. Refreshments prepared by the Pep Squad were served in the basement.

### **Spotlite April 12, 1940** **IRWIN BEATS MANNING**

Last Friday, April 5, Manning's baseball team traveled to Irwin where they played them in a fast 7-inning baseball game which Irwin won 5 to 3.

Irwin got to a fast start getting their five runs in the first two innings, four in the first inning, and one in the second inning. This proved disastrous to Manning because they couldn't overcome the lead.

Manning had one big inning, the fourth, in which they collected all of their runs. Both teams used two pitchers. Hoffmann started for Manning and was replaced by Schrum. Schrum was very effective striking the first four men to face him.

Irwin started Flarety who was replaced by Larson. Kuhse was behind the plate for Manning. We only had four days of practice to Irwin's two weeks so we don't feel so badly about losing.

The starting lineup for Manning consisted of Richard Ohm, 1st Base; Wayne Schrum 3rd Base - Roger Eich, Centerfield; Lyle Schrum, 2nd Base; Robert Kuhse, Catcher; Don Ramsey, Rightfield; Jimmy Rowedder short stop; LaVerne Schroeder, Left field; Harold Hoffmann, Pitcher; Frank Miller and Bobby Kuhl also saw some action.

There are quite a few boys reporting for baseball practice, namely 19 fellows:

Dick Ohm, Jimmy Rowedder, Wayne Schrum, Harold Hoffmann, LaVerne Schroeder, Roger Eich, Donald Ramsey, Albert Claussen, Frank Bliefert, Robert Kruse, Junior Schrum, Frank Miller, Jimmy Ansorge, Lyle Eich, Robert Ramsey, **Bob Rostermundt**, Dean Noble, Delmas Schrum, Gene Strathman.

#### **Audubon Scores**

6 Runs In 5th Inning To Win

Audubon High outscored the Manning Bulldog sluggers in a baseball game here Tuesday afternoon, 9 to 7. The losers led 3 to 1 until the fifth when the visitors combined several hits with a pair of errors to tally 6 runs.

The Manning lineup consisted of Robert Kuhse behind the plate, Wayne Schrum in the box, Richard Ohm 1st, Frank Miller 2nd; Lyle "Junior" Schrum, ss; James Rowedder 3rd; Burdette Schroeder Lf; Roger Eich, Cf; Bob Kruse, Rf.

Audubon Batteries consisted of Creese and Nelson.

Creese and Lynn were the officials.

Manning will play Arcadia there Friday and Manilla there on next Wednesday.

#### **Bulldogs Lead Cage Conference With No Defeats**

Manning High's Bulldog cagers continued their victory march this week by outscoring a scrappy Glidden quint on the crimson and black court 32 to 22 in a Coon Valley conference game Tuesday evening. Glidden was last year's Carroll County champs.

Ruhi split the net for Glidden to start the scoring but at the quarter the Bulldogs boasted an 8 to 2 advantage and went on to sport a ten point lead, 15 to 6 at the rest time. The Bulldogs let down a bit in the third period and the losers connected on several long shots to cut Manning's lead to 5 points. However, the winners tallied five points in the final two minutes to keep a 20 to 10 lead at the start of the final quarter. Coach Jack Hall's proteges began to click in the final frame and with a minute to go were safely out in front 32 to 18 as the result of some exceptionally nice play under the basket, the best of the game. In the last few seconds of play the visitors counted on two "hope" shots from far out on the court to cut the margin, 32 to 22 as the gun halted the battle.

Manning found Glidden's defense the most difficult to penetrate of any opposition this season although they worked the ball under the hoop on numerous occasions only to miss heartbreaking tip-ins. Harold "Horse" Nickum gave a fine display of the right way to take the ball off the back-board, his height seldom giving the visitors a chance at a follow-in. On offense, however, he was cold and missed at number of tip-ins during the game. Scoring for the Bulldogs was evenly

divided, while Captain Moorehouse, veteran Glidden sharp-shooter, sparked the visitor's offense.

The Manning lineup consisted of Wayne Schrum, Harold Nickum and Lyle Hoffmann at forwards, Richard Ohm at center; Lyle Arp, Francis Zerwas, Jim Rowedder and Wayne Witt at the guards.

In a curtain raiser the Bulldog pups wave a good exhibition of basketball to nose out the Glidden second team 15 to 13. The "Pups" and second team alternated at quarters with the yearlings showing the best offense. The score at the half was 12 to 5 in favor of Manning but the lead was cut to 15 to 13 in the final quarter when Coach Gordon Winlock rushed in the "Pups." Glidden evened the count and with a half minute to go, Jimmie Ansorge calmly sank two free throws and the game ended seconds later.

For the pups Amos Lohmeier and Lyle Schrum were at the guards, Lawrence Nickum at center and Jim Ansorge, Frank Miller and Melvin Kusel at the forwards. On the second team, Frank Bliefert played at center, Daryl Mohr, **Bob Rostermundt** and Russell Wiley at forwards and Warren Petersen, Dean Noble and Labert Stahl at the guards.

### **JUNIOR HIGH NEWS**

By Betty Grelck

This past week was the last week of the first six weeks period and six weeks tests have been given. Report cards were handed out Wednesday. I wonder if anyone isn't satisfied with them?

A new pupil has recently enrolled in the Eighth grade. Her name is Pearl Armstrong. Her father is working at the light plant. Everyone hopes that they will like Manning and continue to live here.

The dedication ceremony was a great success with more people out than we expected because of the weather. The program was worked on hard and was given well. Agnes Samuelson's speech was of course the highlight of the evening. The history of Manning Schools was also very interesting.

The Manual Training class is making 20 new lockers for the use of the country and town pupils. They are made of ordinary pine wood which the school board has provided. Late on more will be made. They will be put against the north wall in the basement.

The band party was held on Wednesday evening, October 13 at Mr. Edward Lynn's home. There were about 30 at the party including Mr. and Mrs. Lynn and the new band instructor, Mr. Leonard Arends. The band presented the hostess and host with a useful gift of a carving set.

At eight o'clock we were divided into groups and were sent on a treasure hunt. The group that returned first received Halloween noisemakers. The group

included: Dorothy Dethlefs, Pat Woods, Bobby Rostermundt, Margaret Lake, Harold Neal, and Lorraine Kuhl.

At nine o'clock we were given a delicious luncheon and then everyone enjoyed a little visiting period and then we went home because of school next day.

#### JUNIOR HIGH GRIDDEERS LOSE

The Junior High football team went to Denison Wednesday and were defeated 14 to 0. Denison had 44 players and Manning 14. If you boys don't like to see scores why don't more of you go out for football? For as few players we can hardly expect a better score. Come on Junior High by coming out to practice. Thursday the Home Economics class visited the creamery and were led about by an employee. First we went through the pasteurizing and testing room. From there we went to the storage rooms and were served a dish of ice cream. After the ice cream was enjoyed by everyone we went to the engine rooms and out the back door.

Bible's famous animal circus will be in Manning today for a two hour show at the high school auditoriums which will start at three o'clock. The public is invited to attend. Admission will be 25c and 35c. Featured in the show will be trained ponies, dogs, monkeys and a bear.

Wall Lake High will play the Bulldogs here Friday evening.

#### TRYING

If you've failed in things you sought,  
Stop your crying,  
Fortunes fair from dreams are wrought  
Just by trying;  
Whether you be king or thrall,  
High your wish, or low your call  
If you falter you will fall,  
Helpless, dying!

On! Press on and on with time, Self denying;  
Victory demands you climb - Faith undying.  
You will reach the reassured height  
See dawn burst above the night

And be bound to win your fight,  
Just by trying.

But all were in a dither  
For Jeanette, a child of three,  
Had left, and her kittie-car with 'er.  
"I wonder where she could have gone?"

Sighed her worried pop,  
"I've looked all over this whole place,

So they kept on hunting,  
But without success,  
Until Jeanette came back again,  
She'd run away, I guess.

#### THE FARMER

The farmer's out there with his plow  
He's full of pep and ginger now,  
The sun is shining warm and brite  
He works from morning until nite.  
The earth is full of promise and of life.  
The plow cuts through it like a knife.  
And then he gently sows the seeds  
Very patiently destroys the weeds,  
He says that he must never stop  
If he expects a bumper crop,  
And so he toils from day to day  
In the same happy, cheerful way.

#### THE PRESENCE OF SPRING

When I go forth to greet the glad faced Spring,  
Just at the time of opening apple buds.  
When brooks are laughing,  
winds are whispering,  
On babbling hillsides or in warbling woods,  
There is an unseen presence that eludes  
Perhaps a Dryad, in whose tresses cling  
The loamy odors of old solitudes,  
Who, from her breechen doorway, calls; and leads  
My soul to follow; now with dimpling words  
Of leaves; and now with syllables of birds.  
While here and there - is it her limbs that swing?  
Or restless sunlight on the moss and weeds?

Madison Cawein

#### PICTURE REEL

Last Wednesday morning the entire school was entertained by a motion picture of Abraham Lincoln.

This show portrayed Lincoln from the time he was a small boy to the time he was assassinated.

We were shown the many hardships he had to go through without pain or fear. It also showed the time during which he was president.

There has been a question whether we should have these picture reels or not.

There has also been a complaint that we are wasting our time for study. I, myself, think this is very untrue because many of us can learn more by seeing the real action than by reading it. These pictures are not shown for pleasure purposes but to try to help us gain a knowledge of many different things.

#### BOY SCOUTS

Camp Kellog, in Stone Park near Sioux City, Iowa, is to be the place for troop 130's camp session. A circular reports this camp is to be a well-equipped and spacious lay-out, and of particular interest to us is the 86x116 ft. swimming pool.

##### WASHINGTON'S BIRTHDAY

Margaret E. Sangster

Tis splendid to live so grandly  
That, long after you are gone  
The things you did are remembered  
And recounted under the sun  
To live so bravely and purely  
That a nation stops on its way,  
And once a year, with banner and drum,  
Keeps its thoughts of your natal day.  
Tis splendid to have a record  
So white and free from stain  
That, held to the light, it shows no blot,  
Though tested and tried again;  
That age to age forever  
Repeats its story of love,  
And your birthday lives in a nation's heart,  
All other days above.  
And this is Washington's glory,  
A steadfast soul and true,  
Who stood for his country's honor  
When his country's days were few.  
And now, when its days are many,  
and its flag of stars is flung  
To the breeze in defiant challenge  
His name is on every tongue.  
Yes, it's splendid to live so bravely  
To be so great and strong,  
That your memory is ever a tocsin  
To rally the foe of wrong:  
To live so proudly and purely  
That your people pause in their way,  
And year by year with banner and drum,

Keep the thought of your natal day.

#### DRAMATIC CLUB

On March 1st the Dramatic club will present two one-act plays in the high school auditorium at 7:30.

Tickets priced at 10c and 20c are now on sale by all club members.

#### WHICH ONE IS WHICH

Last week Mr. Amos Lee received several letters telling of the confusion of two "Ruth Lages" from Manning. In these letters he was told that their credentials were sent to the wrong Ruth Lage. Luckily they lived only one mile apart so they could exchange them easily.

One of these girls graduated in 1936 and the other in 1938. We wish them both success in future

### **Bullpups Win Honor at Harlan**

Coach Jack Hall's Junior High "Bullpups" came through in a big way last weekend to win the consolation final of the Harlan Junior High invitational tournament, claiming victories over Kirkman, Logan and Ute and losing to the husky Shelby five.

Although smaller than most of the teams entered, the Manning Juniors displayed a fast, deceptive brand of play that enabled them to win over their bigger rivals. In the first round Manning smothered Kirkman 27 to 4, allowing the losers but a single basket the entire game. Wayne Witt, guard, led the local sharp shooters with 12 points while Harold Hoffmann followed with 6. The entire Junior High squad saw service with Frank Miller, **Bob Rostermundt**, Lyle Schrum and Warren Petersen at the forwards, Harold Hoffmann and Frank Bliefert at center and Wayne Witt, Amos Lohmeier, James Rowedder and Harold Neal at the guards. In the second round Manning defeated Logan in what was perhaps the best game of the tournament. According to reports the Bullpups 17 to 15 victory was the first setback suffered by the Logan basketeters this season. The game was fast all the way with Logan holding the advantage until late in the game. However, the steady play of the Manning lads finally put them ahead and they went into the semifinal bracket.

Shelby's husky, tall five proved too much for the Bullpups in Saturday afternoon's semi-final round and they dropped an 18 to 13 decision. Manning remained in the opening all the way and made the winners earn every point. At the half Shelby claimed a one point advantage, 7 to 6 but in the final half, Herring, Shelby's tall center, was good for 6 points alone, while the Manning dribblers were held fairly well in check. Witt was high man for Manning with 6 points.

Manning defeated Ute in the consolation round 11 to 8, Saturday evening, in a well played game to give them the trophy in that bracket.

Hoffmann with 4 points, Witt and Rowedder with 4 and 3 respectively, accounted for the total score. Others to see action in the final game were **Robert Rostermundt**, Lyle Schrum and Frank Miller at the forwards. Downing with 6 points was high for the losers.

Harlan won the final and championship round by nosing out the Shelby quint in a close game

This is the second consecutive year that Manning Junior High teams have won honors at the Harlan invitational meet. Last year the Manning Junior High five won the meet, the members of which team are now varsity players.

Manning Junior High defeated Audubon at Audubon last Tuesday night 15 to 12 with Lyle Hoffmann topping the local scorers with 6 points. Jorgensen with 9 was high for the losers.

Only one thing out of the ordinary happened during the whole tournament. During Friday night's game Frank Miller had the misfortune of losing his trousers and had to go home without them, seeking refuge in a pair of sweat pants. However, on Saturday, the mystery was solved with the trousers being returned in good order.

### **February 10, 1938 JUNIOR HI SPI IN THE GOOD OLD DAYS**

The stores are full of lovely valentines but I can't believe Valentines Day means what it used to mean to youngsters thirty years ago. Such preparations. Why, the day after Christmas we began to make our valentines. And what materials - cardboard, tissue paper, anything that we might fancy was pretty. Once I took a ribbon off my sister's bonnet to trim a special valentine for "teacher." The number of valentines we made was staggering. You hadn't begun until you had more than a hundred. Everybody tried to beat everybody else. There were no "bought" valentines then. One's love and devotion was expressed by original ideas made up of wall paper and colored roses cut from last year's seed catalog.

Valentine Day. Precious memory.

### **RURAL EXAMINATIONS**

On Friday, February 4th the rural 8th grade students took 8th grade tests, sometimes called the county 8th grade tests. These tests must be taken before graduation from country school and passing grades are necessary in all subjects to be eligible for entrance into High School.

The pupils who took the tests are Maxine Bauer, Vergene Friedrichsen, Donna Mae Keat, Howard Accola, Melvin Nissen, Orlo Nissen, Herbert Hansen., Harold Meister, Anna Ragaller, Dorothy Welch, Joyce Strathman, Jeanette Hinnens, Melvin Kusel, Donald Petersen.

The children who took the tests are from Ewoldt and Washington townships.

The tests taken were reading, history and geography. Norene Fairchild of Shelby County also took tests in Reading, Civics, and Spelling.

### **NEW MOVIE MACHINE**

Last Tuesday afternoon the Jr. High was instructed by use of the new moving picture machine purchased by the Manilla and Manning schools. The film was shown in the Junior High gym. It showed nickel mills and a new natural alloy

called monel. You can't chip or break this metal. It is used for sinks and china ware. You may drop a monel cup in a monel sink and neither will chip nor break. This movie machine cost four hundred dollars, two hundred dollars for each school. Mr. Amos Lee said that we will have many such instructions all during the year.

The films will be exchanged between the two schools.

A call for discarded overshoes is taking place in the school. If you have any overshoes which have been thrown away because of a tear or some sort, please send them to school. There they will be mended by boys and given to those who haven't any. So pick them up and have them brought to school and made use of.

Richard Schrum and Lavonne Armstrong celebrated their birthdays. Both bought treats.

In numbers we are beginning to work on addition combinations.

Reading Group II will finish Vocabulary tests 4 and 5 this week and then they will be ready to start a new book.

A large number of the class received perfect scores in Spelling. We think Spelling is fun.

#### SECOND GRADE NEWS

The Second grade has been working on a program to present to our mothers. It consists of all the songs, poems, stories, etc., that we have learned in connection with the post office study. The play is Tuesday, February 8th.

We plan to have a Valentine party in our grade on Monday. Instead of having a Valentine box as usual, we shall use our post office.

A silent reading test was given this week to determine the silent reading rate of every pupil Shirley Grundmeier had the highest rate, 337 words per minute. She got a perfect score in the comprehension test which followed. The standard for second grade is 90 words per minute. Seventeen children are above the standard.

#### THIRD GRADE NEWS

The third grade students have been studying about children of other lands. We have learned many interesting things about each country. Articles were brought to school that were made in foreign countries. An interesting letter was brought that was written by a missionary in China. They told how the Chinese boys study out loud, the louder they study, the better lesson they are supposed to have. We were surprised to learn that there are Chinese children who live on junks on the Yangtze River and have never been on land. Some of us never realized our raincoats and rubbers came from far off Brazil, and the silk in our hair ribbon came from many little caterpillars in far off Japan.

In history we have been studying the life of Lincoln.

During the art period we have made and colored pictures of the countries that we have studied.

### **Bulldogs Lose To Coon Rapids**

Coon Rapids High went into a tie for first place honors in the Coon Valley conference by winning over the Bulldog cagers at Coon Rapids Friday night by a score of 21 to 20. Coon Rapids scored in the last 20 seconds of play to snatch the lead and win the game after Manning had maintained the advantage nearly all of the game.

The score as the fourth quarter opened was 16 to 9 in favor of the Bulldogs. However, Coon Rapids, lead by the flashy Johnson, made three baskets in short order as the quarter opened and from then on it was a dog fight with Manning holding a one point lead. With a minute and a half to go, Harold Hoffmann tipped in a basket to put the Bulldogs ahead 20 to 17. Coon came back to score two baskets in the remaining play. As the game ended, Kenneth Esser, Lyle Arp and Harold Hoffmann were trying vainly for a goal under the Bulldog hoop but the gun ended the game without further scoring. Manning was ahead at the half 9 to 8. The Bulldogs defeated Coon Rapids 24 to 19 here several weeks ago.

The fact that a not too alert Coon Rapids time keeper became so engrossed in the game at one period that he forget to start the clock, which made it necessary to roughly guess at how much time had passed, coupled with the fact that Coon Rapids made their winning basket in the last few seconds of play rather casts a shadow of doubt as to how the outcome would have been had the time been watched as it should have been.

Coach Jack Hall's fast Junior High five, with Lyle Hoffmann setting the pace, trounced Coon Rapids Junior High 18 to 9. Others in the lineup were Lyle Schrum, Frank Miller and **Bob Rostermundt** at forward's and James Rowedder and Wayne Witt at the guards. At the half Manning was out in front 13 to 3. Bob Hoffmann at center, Kenneth Esser, Bill Hunter at forwards and Wayne Schrum, Richard Ohm and Lyle Arp at the guards, made up the first string. Ohm was ousted on fouls early in the final quarter.

**Bulldogs Lose to Carroll;**

**Defeat Glidden Teams**

**CARROLL 25 MANNING 22**

Carroll High's Tiger cagers found sweet revenge for last year's defeat at their school dedication by spoiling Manning's dedication here Friday night with a 25 to 22 victory over Coach Joe Roger's Bulldogs.

A tall scrappy visiting quint, the best team to represent Carroll in several years, played a too consistent game of ball both on defense and offense, to win the battle, going at top speed all the way.

The Bulldogs jumped into a 4 point lead in the first minutes of play as the result of Lyle Arp's long shots from near mid floor. After that Arp was so closely guarded he seldom got set for a shot. With Thorpe and Andersen taking long shot rebounds off the board, Carroll knotted the count and for the remainder of the hard-fought game there was seldom more than two or three points between the seams.

Carroll forged into a 22 to 16 lead in the final quarter as the result of some nice ball handling and the Bulldogs were unable to cut the lead. Apparently the Losers were over anxious in the last quarter and although getting many shots at the basket, were unable to connect. Manning's chief difficulty was in getting through the visitors defense. The visitors forced the Bulldogs to resort to long shots, most of which failed to find the net.

In a curtain raiser Friday evening, Coach John Hall's scrappy Junior High ball hawks, came from behind to beat the Carroll Juniors 11 to 9 in a well played game. The Junior high team consisted of Lyle Hoffmann at center, **Bob Rostermundt**, Wayne Schrum and Frank Miller at forwards and James Rowedder and Wayne Witt at the guards.

Eight men saw service on the first string: Lyle Arp, Richard Ohm and Amos Misselhorn at guards, Robert Hoffmann at center and Harold Nickum, Kenneth Esser and Billie Hunter and Wayne Schrum at the forwards. Hoffmann was high point man with 10 while Arp followed with 5. Anderson was high man for the winners with 10 points.

As a part of the dedication ceremonies, R.M. Kuebler, representing Mayor Neu of Carroll, shot a free throw and was followed by Manning's Mayor Enenbach whose shot fell short.

Manning will play Harlan at Harlan Friday night, Wall Lake at Wall Lake Monday evening and will play a conference game with Coon Rapids here next Thursday night, December 23rd.

Manning High nosed out a stubborn Glidden quint in a Coon Valley Conference basketball game here Tuesday evening to remain undefeated in conference competition.

The veteran Glidden five were in the running all the way and came to within one point of the Bulldogs in the final quarter. With but 4 minutes left to play, the Bulldogs were leading 19 to 18.

Coach Rogers' five sported a 12 to 5 lead at the half time as the result of a short scoring spree late in the second quarter. Another spurt in the final period enabled the winner to claim the contest. Both teams missed many shots, particularly under the basket. The Bulldogs worked the ball in for short shots in a better manner than in the Carroll game but their passing was ragged and at times wild. The starting lineup for Manning consisted of Ohm and Arp at guards, Hoffmann at center and Schrum and Hunter at forwards. Esser and Misselhorn also saw service.

Manning took the second team game 18 to 9. The Junior High team played a greater share of the second team game and outplayed their bigger rivals. However, the second string played for a quarter to run up a considerable lead, and then the Junior High five finished the contest. Lyle Hoffmann at center; Frank Miller, **Robert Rostermundt**, Lyle "Junior" Schrum at forwards; Wayne Witt, James Rowedder and Donald Petersen at guards made up the Junior High team with Lyle Hoffmann at center; Wallace Kruse and Russell Lathrop at forwards and Gene Claussen and Francis Zerwas at guards made up the 2nd team. The official was Chapman of Denison.

**Bulldogs Maintain Lead In Coon Valley Conference Race**

By their 24 to 19 victory over Coon Rapids on the Manning court last Thursday evening, Coach Joe Rogers' Bulldog cagers are enjoying the undisputed leadership in the Coon Valley Conference at present. The winners are now rating three victories and no defeats in conference standings. Before the Coon Rapids game, Manning and the losers were tied for first place honors.

However, Coon Valley teams are quite evenly matched this season and a spotless record in circuit competition is almost impossible.

Bulldogs now have victories over Lake City, Glidden and Coon Rapids.

They have yet to meet the strong Audubon five twice and return games with Glidden, Coon Rapids and Lake City, all of them strong teams in their own right. Manning failed to display any basketball until the final quarter when they quieted down and played ball as they are capable of doing but sometimes fail to do. In the early stages of the game they were unable to hit the hoop even on set ups and at times their passing was faulty. However their defense was probably the best of the season and continually forced the opposition, to resort to long shots. Several shots from the middle of the gym gave the Coon Rapids quint a 13 to 8 advantage at the half. From then on the Bulldogs settled down and were able to overcome the lead and push on to a well-earned victory. Coon Rapids was held to 6 points the last half, the result of two long baskets and a bracket of free throws.

Manning was especially weak on free throws, counting but 3 out of twelve attempts.

The starting lineup for Manning included Robert Hoffmann at center; Kenneth Esser and Wayne Schrum at forwards and Lyle Arp and Richard Ohm at the guards. Billie Hunter also saw service.

The Junior High five kept their slate clean by handing the Coon Rapids Juniors a 12 to 8 set-back as the result of a last quarter spurt.

Included in the Junior High lineup were Lyle Hoffmann at center, Frank Miller, **Bob Rostermundt** and Lyle "Junior" Schrum at forwards and James Rowedder and Wayne Witt at guards.

Manning will play Audubon here on January 7th in a conference game. Audubon has one of the best teams to represent that school in several years and have suffered only one defeat in conference play, that coming at the hands of Coon Rapids in a bitter fight.

#### **Cage Carnival Attracts Large Crowd At M.H.S.**

The largest crowd of the season packed Manning High gym Friday night to witness the basketball (?) carnival, the best cage novelty ever presented before a local crowd. Whether the crowd was well versed in the finer points of the game was of little consequence - even the officials in the major encounters didn't even care, in fact they didn't give a "hoot" very often. Cy Nickum and Bill Schrum did the officiating with the aid of a huge book of instructions.

The only proof that some of the games were basketball battles was the presence of a basketball, and even that must have blushed at the manner in which it was handled.

Five games completed the card and fans were treated with every kind of basketball - good, bad and otherwise - mostly otherwise. It wasn't so much the love of the game that proved the big attraction, but rather the teams scheduled and the show put on by the players and officials. Everyone entered into the spirit of the affair and as the result everyone had a most enjoyable evening and the returns helped bring the athletic fund out of the red.

The first game, the consolation in the interclass series was won by a team composed of 6th, 7th and 8th graders, over the 9th grade the graders won 22 to 14. The Alumni boys lost to the faculty team and John Joens, 14 to 8. The seniors won the final in the class tourney round with a 9 to 8 victory over the Juniors. In the main events of the evening, the Lean Men and Fat Men tied at 8 all. The High school girls defeated the Alumni girls and women faculty 3 to 1. Graders 22-9th Grade 14

Led by Frank Miller and James Rowedder the grade school five built up an early lead to take the consolation finals in the opening game against the rangy 9th grade quint, 22 to 14. The score at the half was 14 to 2 in favor of the winners. Rowedder and Miller scored 3 baskets each for the graders with Wayne Schrum making 2 and a free toss, Wayne Witt sinking 2 and Warren Petersen a free throw, **Robert Rostermundt** and Gale Moore all played.

Gerhardt Voge led the losers with three quick baskets late in the game. Harold Hoffmann, Wallace Kruse, Francis Zerwas and Daryl Mohr each made a basket. Albert Claussen, LeRoy Hass and Dean Noble also played.

Faculty 14; Alumni 8

The High school faculty and John Joens, supervisor of light and heat at the grade building, were too much for the Alumni lads. It may have been the scare thrown into the losers when the faculty took the floor clad in football uniforms, that accounted for the victory but we're rather inclined to believe it was the uncanny

ability of Marvin "father" Waltz, under the basket. Waltz was good for 10 points while Lynn made four for the winners. Lawrence Qualley, John Joens, Jerome Aga, Amos Lee and Joe Rogers completed the faculty lineup.

Keith Bingham with 5 points Burton Schrum with 3 and McCall with 2 accounted for the loser's total. Vollmer and Hagedorn and Brady also played for the Alumni. Seniors 9; Juniors

In the fastest game of the evening the seniors eked out a one point victory over the juniors 9 to 7 in the final round of the interclass tournament. Curtis with three points paced the losers while Rix with three was high for the winners.

The senior team was made up of McConnell, Ehlers and Winters at forwards, Ehlers and Starek at center and Rix, Struve and Musfeldt at guards.

Curtis and Struve at forwards; Schrum and Rutz at center and Eckley, Kusel, Campbell and Hansen made up the losing team.

Alumni Girls 1, MHS Girls 3

Clad in ski pants, sweaters and overshoes and wearing cotton gloves, the Alumni and faculty found the going just two points too "tough" with their encounter with the high school girls, losing by a 3 to 1 score. Eunice Eckholdt accounted for all the winner's points, scoring a basket and a free throw. Ruth Dusenberry sank a free throw for the losers' only tally.

Edna Kerwin, Ruth Moore, Goldie Sander, Verna Asmus, Ruth Dusenberry and Marion Orvis made up the losing squad while Eckholdt, Karsten, Anderson, Joens, Taylor, Flenker, Murphy, Anton and Wiese made up the high school team.

Fat Men 8; Lean Men 8

In the highlight of the evening the fat men and the thin men battled to an 8 to 8 draw after a fierce struggle.

Attired in flimsy, pink, borrowed "unmentionables," the fat men at an advantage, throwing the thin men into a dither at crucial moments of the game.

Herman C. "Hula" Gotch took the tip off from "Shorty" Asmus and John Hoffmann scampered around Fred "Man Mountain" Petersen for the first score. Some time later Hoffmann gave the fat men a break by scoring a basket for them. However not to be out done, Petersen sank a shot for the thin men and the scorekeepers tossed their books into the discard.

With the officials, Cy and Bill as interference, Bingham went through center for 10 yards but "Catch" nailed him with a 'shoe string tackle' near the end zone before he could score. Jay left the game and Bud Johnson dashed into the fray. The thin men won the next two rounds after some nice ball handling and some kicking.

Marvin "Sandy" Sander missed two tries for the fat men and Johnson scored for the heavies a minute later. With the score tied at 8 and 8 the style show ended.

Fred "Shorty" Asmus, Marvin Sander, Fred Petersen, L.E. Schelldorf, Bud Johnson, Jay Bingham and Francis "Irish" Brennan made up the team that had to do the 'explaining,' while the lean men squad consisted of H.C. Gotch, Williard Bailey, John Hoffmann, L. Hendricksen and Ivan Anton.

Dr. C.C. Sullivan acted as coach and benchwarmer for the fat men while Ed "Tiny" Paesler had charge of the water jug.

**Bulldogs Stop Scranton And Glidden Quints  
Avenge Two Conference Defeats in Previous Games  
IN COUNTY TOURNAMENT**

Manning High Bulldog cagers continued their winning ways on the basketball court the past week by avenging two previous defeats in handing Scranton and Glidden set-backs on the home court.

Coach Joe Rogers' quint gave one of their beat exhibitions of the season in stopping the strong veteran Scranton five 21 to 14 here Friday night. It was Manning all the way, leading at the half 13 to 8. In a previous game Scranton drubbed the local five 36 to 19 at Scranton.

Kenneth Esser led the Bulldog offense with 11 points. The floor work and fighting spirit of the entire Bulldog team is worthy of favorable comment. Heinz Detlefsen at forward played his usual fine game, Amos Misselhorn and Randall Petersen at the guard played good ball and Esser at the other forward turned in a fine exhibition of basket shooting. Dick Ohm, lanky freshman center, out jumped Turner, all-conference center, consistently.

The yearlings also came through in a thriller to win 17 to 15 in a nip and tuck battle all the way. Wayne Schrum, Robert Hoffmann, Billie Hunter, Lyle Arp, Russell Lathrop, Gene Claussen and Harold Nickum were in the second string lineup.

Glidden 23: Manning 25

An overtime period was required to decide the Glidden-Manning game Tuesday evening, with the Bulldogs finally coming through with a 25 to 23 victory on Misselhorn's timely basket. The count at the end of the regular closing period was 23 and 23. Both teams muffed chances to score, with Misselhorn's late tally the only counter in the entire period.

Manning took a comfortable lead in the first period, holding the visitors to a single basket, maintaining a lead of 11 to 3. The losers, however, came back strong in the last half and scored 20 points, boasting a 21 to 17 lead with but two minutes to play. Trailing 21 to 23 with the clock practically on the dot, Detlefsen intercepted Glidden pass; and swished through a shot from the foul line. The whistle ended the game a few seconds later.

Both teams had difficulty in finding the basket as many shots rolled off the hoop. Detlefsen was high point man with 12 markers. Both Esser and Ohm were ousted via the foul route long before the final gun.

Misselhorn, Petersen, Ohm, Detlefsen, Hunter, Esser, Hoffmann and Nickum saw service.

Manning grade school also won 19 to 14 in an interesting game with the Glidden graders. Included in the Manning lineup were Jimmy Rowedder, Lyle "Junior" Schrum, Robert Rostermundt, Wayne Witt, Warren Petersen, Daryl Mohr, Frank Miller, Wayne Barnes, and Dale Bingham. Witt and Rowedder were outstanding for the winners.

Marshall Watson of Harlan was the official.
