

just a note

Happy Holidays,

David:

I hope you'll doing good
In your life, for myself
my sister, Kathy age 64
died last December 8th, 2017
she had cancer, so now I
have two sisters, and my
dad that died from cancer,
and now my brother Dan
has thout cancer, he's
age 66. Last September I
had a light stroke, but

I'm doing ok now. I still go
for my twenty minute walks a
week when the weather is nice
out, also I still mow two lawns
yet, my moms, and mine, also
I keep my moms floors clean in
the house, also I do the dishes,
and laundry for her since she
is 90 years old now. I also play
pool with my three friends on
Sunday afternoons at 4:30 P.M.
to 6:30 P.M. I still go to the
Nursing Homes in Carroll, Iowa
every week, I know a lot of
people there. By the way David
I'm 69 years old now, boy the
years really go by fast faster
each year it seems. Well David
I hope 2019 will be a good
year for you, and all of your
loved ones.

From your friend,
Larry Owen
